REVENUE SECRETARY GOVERNMENT OF MYSORE 4/11/48

GENERAL & REVENUE SECRETARIAT 6 NOV 1948 MUNICIPAL BRANCH

Sir

Sub Acquisition of Vacant sites behind Agrahara street Closepet taluk for the formation of a conservancy lane

With reference to your memo No L 11290/ML 14-47-2 dated 29th November 1947 forwarding a copy of letter addressed to the compiler Mysore Gazette for publication of preliminary notification on the above subject, I have the honour to state that in response to the above notification certain persons of the locality have presented an objection petition stating that by the formation of the conservancy lane near their backyard, it is easy for the thieves to take away their belongings without any difficulty and that their backyard would be separated by the proposed conservancy road and this necessitates them to put up separate compoundwalls at heavy cost etc , and that therefore the acquisition may be dropped

The Sub Division Officer was asked to hear the objections under section 5(2) of the L A Act and to report Accordingly the sub Division Officer issued notices to all the 9 objectors of whom three persons appeared and stated before the Sub Division Officer that their objection is not correct and that the formation of the conservancy lane is a necessity Four persons did not appear though notice have been served on them The other two were absent from the station

Mr C V Narayana Rao, whose land will also be acquired is not a takarardar At later stage he has presented a petition to acquire only 10 ft instead of 11 ft as notified just to retain two cocanut trees As this would entail the modification of the entire plan his objection is not tenable The acquisition officer, will however be asked to keep this fact in view and to allow the owner to have the right on the trees to remain if possible while passing the award

A number of residents of the locality have also presented a petition that the conservancy lane is very necessary in the interest of sanitation The Sub Division Officer reports that the objection is not tenable and may be rejected As the formation of the conservancy lane is of utmost importance for the better sanitation of the town, I agree with the Sub Division officer and recommend that the acquisition may be sanctioned Final notifications under section 7(3c) of the L A Act in duplicate both in English and Kannda are herewith forwarded with a request to obtain sanction of Government to the acquisition and to appoint the sub Division Officer, Closepet to perform the functions of a Deputy Commissioner under the L A Act and take order for the acquisition

The cost will be met from the amount got deposited for the purpose

The connected recores are enclosed

Yours faithfully,

DEPUTY COMMISSIONER
